Calls for a report on the above petition of Shurpunnissa Begum

No. 7-100/33-34 dated 15/8/33.

From the D.C. Mysore.

Recommends the Continuance of the Mutafirkhat pen ~~petition~~ of Rs 57- in the name of Shurpunnissa Beg.

Shurpunnissa, the petitioner, is the only daughter of the late Khatija Begum, the last baraawardar. She now prays for the Continuance in her name the pension of Rs 57- hitherto enjoyed by her mother. The D.C. Mysore, who was requested to report on the petition, has forwarded the Amildar's report together with a Mahazar dated 24th July 1933 drawn by the residents of the locality. It is stated in t

as per Go No. 72. 16959-60 dated 29/5/03. pp. 120

NOTE—Contn. Sheet.

mahazar that the deceased Khatiza Begum has left no other heirs behind her, than Shurpunnissa Begum and that the pension of the deceased may be Continued in her daughter's name, as she is the only daughter and sole heir. The D.C. Mysore also recommends the Continuance of the pension of Rs 5/- in the name of Shurpunnissa Begum.

Kind reference is invited to the printed list of State pensioners (p. 16) mentioning the procedure followed in the disposal of these pensions. It is stated that "these pensions are at the time they are given, limited to the life of each recipient, and the Continuance of these allowances to the Successors of the Original grantees rests with the Govt. of Mysore. No definite rules exist, but on the death of one pensioner, if no means of Support exist, the deceased's widow or other female relatives are usually given a reduced pension."

Submitted for orders as to whether the prayer of the petitioner may be complied with as per recommendation of the D.C. Mysore and the precedents cited by the petitioner in the P.U.D. or a reduced pension granted to Shurpunnissa Begum according to the practice followed in the disposal of such pensions (Vide para 8 above.)

Khatija Begum was in receipt of a Nut parkhat pension of Rs 5 per mensem. She died in September 1932. (The date of death is not mentioned in the records) She has left behind her as heir, an only daughter, Sharfunnissa Begum, who prays that the pension may be continued to her, as she is the only child of her mother and has a large family and is besides very poor. That she is the Sole heir

to her mother is borne out by the maharzar dated 24·7·33. The report of the local officers, supported by the D·C· Mysore, shows that the lady is at present maintaining herself and her family by giving private tuition in Arabic — her sole means of earning a livelihood. The Deputy Commissioner recommends, therefore, that the pension may be continued to the petitioner.

The grant of these pensions (Flag O) is not subject to any definite rules; but the grant is for life only. On the death of the pensioner, his widow, or female relatives, if found to be possessed of no means of support, are usually given a reduced pension, divided among the claimants according to Mahomedan Law.

In this case local enquiry has shown that the petitioner is the only heir; that she deserves the continuance of the pension to her on the ground of poverty. The only question would appear to be, whether the pension should be granted in whole or in part. The total amount of the pension being only Rs 5/, the whole amount may perhaps be granted to the petitioner; for which there are precedents.
